Кубок можно случайно проиграть, но стать его обладателем случайно нельзя. Это непреложный закон кубковых состязаний по футболу. Здесь нужно побеждать и только побеждать. Поэтому каждая команда в каждом матче играет смело, напористо, самоотверженно. Именно так беззаветно боролись за победу в каждом матче футболисты московского «Локомотива».

Но одного, пусть даже огромного желания победить — еще мало.

Нужно обладать зрелым, отточенным мастерством. Не за месяц и не за один сезон пришло оно к игрокам «Локомотива». Понадобилось несколько лет упорного труда всех игроков, их опытного, талантливого тренера Б. А. Аркадьева и его помощника В. С. Панфилова, чтобы спаять локомотивцев в дружный коллектив высокого класса. И вот теперь обладатели Кубка СССР пожинают плоды своих трудов. Заслуженная награда!
